* Comparison rates are based on a secured loan of \$150,000 over a 25 year term & only apply to the example or examples given. Different amounts & terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, & cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.

Information is correct as at 17/12/2009 (12.40 pm). Interest rates are subject to change without notice. Lenders' terms, conditions, fees & charges apply.
